#### Family Responsibilities

#### Please read carefully and initial each box

	I give <b>permission</b> for my child to receive developmental, hearing, vision, dental and/or speech and language <b>screenings</b> and for the results of these screenings to be shared with partnering Pre-K Programs.
	I understand that if my child is selected for participation, family involvement is expected. My family will cooperate with programs to submit necessary documentation and applications for additional services.
	I understand that it is my (parent/guardian or designee) responsibility to be in place to receive my child from the Pre-K Program as scheduled daily.
	I understand that if there is a change in my child's address, phone number or attendance in any type of licensed care, or if there is a change in family income, it is my responsibility to notify Scotland County's NC Pre-K Department at 322 South Main Street, Laurinburg, NC 28352 and inform them of any changes.
	I understand that my child will be required to have a current immunization record, updated health assessment and dental screening before or within the first 30 days of attending the NC Pre-K Program.
	I understand that my child may be placed on a waiting list.

Dear Parent(s) and/or Guardian(s),

As you register your child for school, there are some health requirements he/she will need.

For Pre-Kindergarten (Pre-K), if selected for the program, your child will need the following:

- A completed North Carolina Health Assessment Transmittal Form
- An up-to-date immunization record
- A completed Dental Screening Form

**For students entering North Carolina schools for the first time,** as required by North Carolina law (G.S. 130A-440, G.S. 130A-441, G.S. 130A-152, and G.S. 130-90), your child will need:

- A completed North Carolina Health Assessment Transmittal Form
- A complete immunization record

Once school begins, you will have **30 calendar days** to submit this information to the school. If not submitted after 30 days, your child will be excluded from school. Please schedule appointments as soon as possible. We do not want your child to miss school days.

If your child has a medical condition (asthma, diabetes, severe allergies to food/insect stings, etc.) in which medication will be needed during school hours, your medical provider will need to complete a <u>Medication or Procedure Order Form</u> for any prescription or over the counter medications. These forms are located in the school office. Medications should be brought in the original pharmacy container or box labeled with your child's name. If your child has any health conditions where specialized healthcare is needed, please notify the school so we can help plan the care of your child during the school day.

If you have any questions or concerns about what you will need to have your child ready for school, please contact your school nurse. We look forward to working with you and your child.

Sincerely, Scotland County School Nurses
