## Family Engagement Plan

School: Spring Hill Middle School

Year: 2024-2025

Goal: To provide a welcoming environment for families and invite them to participate as equal partners in the education of their children.

Results: (How will you know when your school reaches this goal? What will success look like?) Family participation in engagement days/nights will increase by 10 percent;

survey result data will show 85% of families feel SHMS has a welcoming environment
