

Allowed

Bookbags must be clear plastic. Colored seams and straps are fine. If there is a manufacturer's tag on the front (as in the picture), it can remain.

The bookbag must be clear, however if there is a small mesh pocket on the front (or side like for a water bottle), that is acceptable as well.

Not Allowed

Mesh backpacks are not allowed.

Printed plastic is not allowed. You also cannot place stickers or embroider the plastic. You can, however, embroider the straps.

Colored or tinted plastic bookbags are not allowed.

Bookbags that are reinforced with a non-transparent material on the bottom or sides are not allowed.

**Remember:
Bookbags are
optional. Students
are not required to
carry a bookbag.**
