Dear Parent or Guardian:

Scotland County Schools will provide a free, six-week, in-person Summer Learning and Enrichment Program, Monday through Thursday (June 7 through July 21, 2021 {8:00-3:15}). During the Summer Program, students will have the opportunity to receive extension learning recovery on EOC subjects and other enrichment programs.

Program participation is open to all students and is completely voluntary. Students in need of additional instruction, students with disabilities, and students who are English Language Learners will be given priority for placement.

Summer EOC testing can be arranged beginning June 8 through June 30, 2021.

If you have questions or concerns about the Summer Learning and Enrichment Program or to sign up your student, please contact Belinda Hunsucker, bhunsucker@scotland.k12.nc.us or 910-276-7370.

Sincerely,

Larry Obeda, Ed.D.
