Dear Parent/Guardian,

The purpose of this letter is to provide parents/guardians a list of the 2023-24 district and state mandated tests, the dates the tests are given, and how the test results will be used.

The chart provides a list of tests and the grade they are administered. In addition to this information, you will receive a letter before each test with the specific dates.

If you have questions or concerns about your child's tests, please contact Kristin L. Oxendine, Testing Coordinator, at 910-369-2252. Mrs. Oxendine will be glad to provide information to help you understand the tests your child will be taking throughout the 2023-24 school year.
